

What kind of documents are necessary to obtain French certificate of registration for my car ?

If you need to register your car in France, you need to collect several documents :

- Certificate of registration (both side)
- European certificate of conformity
- Taxe discharge called in French "Quitus fiscal"
- Proof of ownership or proof of sale
- Proof you are living in France, I mean proof of residence less than six months old in France (proof of residence has to be invoice of EDF or invoice of your mobile phone).
- Driving Licence
- ID
- Application Form Cerfa for a vehicle registration certificate
- Proof or "contrôle technique" (MOT) less than 6 months ago.

If you need some help to obtain your french certificate of registration you can contact our French Department for car registration. [Application form to request french car registration](#)
